All FAQs

Contact Sales

Does Tailscale have a free trial?

How does monthly active user billing work?

How do we determine who gets access to trials and who stays on the Personal plan?

What differentiates commercial vs personal use?

I am a user with a custom domain (e.g., @myname.com) who plans to use Tailscale for personal use. Can I opt out of the trial?

How do device limits work?

What if I need more devices than are available with the number of users I have in my plan? How does add-on device pricing work?

What's the benefit of Access Control Lists (ACLs)?

What is the difference between ACLs in Starter and Premium?

Do you offer discounts for non-profits or educational institutions?
